

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Acceptance of Improvements Under Standby Generator for Water Well Site 5 Contract

MEETING DATE: August 20, 1997

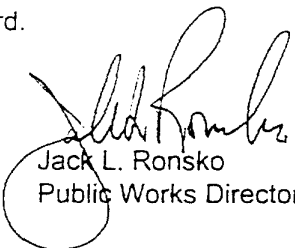

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council accept the improvements under the "Standby Generator for Water Well Site 5" contract and direct the City Engineer to file a Notice of Completion with the County Recorder's office.

BACKGROUND INFORMATION: On May 15, 1995, the City Council awarded a contract to CTS Northwest, Inc., of Tracy, for standby generators for water well and storm drain pumping stations for sites 7, 9 and 16 in the amount of \$328,328. While CTS Northwest, Inc. was under contract with the City for these three generators, the standby generator at Water Well Site 5 broke and needed to be replaced. On July 15, 1996, Council accepted the generator installations at water well and storm drain pumping stations at sites 7, 9 and 16 and approved Contract Change Order No. 3 to have CTS Northwest, Inc. furnish and install a new standby generator at Water Well Site 5.

The final contract price for all four generators was \$461,139 with the standby generator at Water Well Site 5 being \$130,000.

FUNDING: As determined at contract award.

Jack L. Ronsko
Public Works Director
